Entry Application

All entry applications are subject to approval by World Dairy Expo. Exhibitors will receive written notice of acceptance or denial. There is no animal limit per class per exhibitor, unless otherwise noted by national breed association junior rules. All animals must have an official USDA AIN (840) or Canadian CCIA (124) number listed at time of entry submission. **Pending identification will not be accepted.** (See page 9 for acceptable forms of identification.)

Online Entry Required

This premium book and all enclosed forms are available at worlddairyexpo.com. You MUST utilize the online entry system and pay by credit card by 11:59 p.m. (CDT) on September 4, 2023. Late entries will continue to be accepted online until 5:00 p.m. CDT the day prior to each breed's exhibitor meeting at the show; late fees apply. **Group class entries must be made online. Mailed, faxed or emailed entries will not be accepted.**

.....
U.S. exhibitors needing USDA AIN tags, Datamars Livestock, Temple, TX, is providing up to ten (10) 840-series RFID tag sets per exhibitor. A premise ID is required.

Contact Datamars to obtain your tags, learn more:

<https://worlddairyexpo.com/pages/Animal-ID.php>

The deadline to order tags is September 4, 2023.

Please note that by submitting electronic entry with payment: entrants, authorized agents and representatives including, but not limited to, fitters and/or caregivers, have agreed to follow the rules of World Dairy Expo and the law as stated herein. It is possible for violators of these laws to be subject to citations for each infraction. Penalties for violating World Dairy Expo rules, pending severity, can include but are not limited to loss of stalling location, monetary fine, forfeiture of premiums and/or banishment from the Show. Additionally, individuals engaging in conduct that results in damage, injury or death could also be subject to very substantial damages in a civil lawsuit. Furthermore, any sanctioned dairy exhibitor or employee could lose the privilege to exhibit at World Dairy Expo. Please be advised that the Dane County Sheriff Department will be utilizing undercover officers to assist with enforcing World Dairy Expo's policies.

Production Records

World Dairy Expo is a "Production Recognized" show. To be eligible for production awards, official DHI or DHIR records of **305-days or less** must be included with entries for cows ages Senior Two-Year-Old and older. 305-day records will be printed in the show Cattle Log. A record up to 365-days will also be printed (if provided), only if a 305-day record is provided for the same lactation. All records must be actual; no projected or mature equivalent records will be accepted. Exhibitors may provide the Herd Code and Control Number for each animal at time of entry or must provide official proof of the actual 305-day record to the Breed Superintendent at cattle check-in for verification and to be considered for production awards.

Only animals that place in the top 75% of the class will be considered for Production Awards. Determination of the top 75% will be made by the Breed Superintendent. Their decision will be final. **Official DHI or DHIR records MUST be provided in order to enter production classes.**

Exhibitor Season Admission Passes

Admission is required Tuesday, October 3 - Friday, October 6, 2023.

Advance Dairy Cattle Exhibitor Season Pass \$30/ ea. purchased by September 15, 2023, 11:59 p.m. CDT - (Limit 4 per exhibitor account), See Dairy Cattle Show-Exhibitor Dashboard Online

Advance Admission Pass: Daily \$15 | Season \$40 each, online only

At-Gate Admission Pass: Daily \$25 | Season \$50, available online or at gate

No exhibitor season passes will be mailed. No Refunds, for any reason.

Entry Fee Refund Policy & Declined Credit Card Policies

Entry Fee Refund Policy: No refunds of entry fees will be issued for any reason, including entries made for animals that do not show.

Declined Credit Card Policy: A \$25 service charge will be applied to all declined credit cards. Entries will not be processed until all fees have been collected.

Dual Registered Animals

Dual registered animals are eligible to enter and exhibit in only **ONE** breed show. If an animal is exhibited in the International Junior Holstein Show, the only other show she may enter and exhibit in is the International Holstein Show. Likewise, if an animal is shown in the International Red & White Show, it may **NOT** be shown in the International Holstein Show or International Junior Holstein Show.

International Junior Holstein Show entry information can be found on page 67. Unless otherwise noted, all show rules and regulations apply.

- On-Site Rules & Information -

Release of Liability

Every precaution will be taken to properly protect animals and exhibits in this show. The management, however, will not be liable for the safety of animals, exhibits, exhibitors or their employees, or for losses sustained because of robbery, damage by fire, accident or any other cause. Exhibitors wishing to insure their livestock or exhibits must do so at their own expense.

Stalling

The Breed Superintendents use the Stalling Request Form to stall your string. Please complete the enclosed stalling form (also available online) with as much information as possible and by September 13. From September 14-27, please call our stalling hot line at **608-224-6455 ext 4** to confirm stalling information or if the number of animals in your string changes. No Pavilion locations or stall information will be given over the phone; stalls will be assigned only when you arrive on grounds. **Stall space will be assigned for animals on grounds, not animals entered. 24-hour feed and bedding storage is allowed in the Pavilions.** Exhibitors with a minimum of six (6) head will be allowed access to one clipping space. Consideration on stalling space requests will be given only if the Stalling Request Form is adequately completed.

Definition of a String

A string is defined as: By consent of all owners, animals are interspersed within a row that must share tack, feed, bedding, clipping space and crew.

Reception of Animals - **NEW THIS YEAR**

Exhibitors from all U.S. states and Canadian provinces wishing to arrive Wednesday, September 27 may do so with written permission from the Dairy Cattle Show Manager and must have a completed Early Arrival Request Form (enclosed) on file with World Dairy Expo. **All early arrival requests must be received by September 13.** There are no geographic restrictions on early arrivals. Refer to the table below for designated arrival times.

Cattle must be in place by noon the day following placement of tack and bedding.

Arrival Date	Arrival Time (CDT)	State/Province of Origin
Wednesday 9/27	10 a.m. - 10 p.m.	All U.S. states and Canadian provinces with written pre-approval ONLY
Thursday 9/28	7 a.m. and after	All U.S. states and Canadian provinces
Saturday 9/30	12 p.m.	All animals on site

All animals must be on-grounds by noon (CDT) on Saturday, September 30. You may utilize the stalling number (608-267-3924) to report any emergency delays in arrival. Penalties for not observing these rules can include, but are not limited to losing preferred locations and/or potentially not being able to serve in an official capacity with World Dairy Expo. **Exhibitors arriving on grounds Wednesday, September 27 without written permission will be subject to a rules violation.**

Animal Identification & Health Paper Check-In

Health papers of ALL animals will be checked as animals arrive on grounds. Below are details to expedite your arrival to World Dairy Expo.

- Health papers **MUST** accompany animals on grounds and will be used to verify health test and veterinary inspection requirements.
- Health papers are required to list the full 15-digit animal-attached AIN/CCIA identification.
 - A Canadian Cattle Identification Agency (CCIA) RFID tag
15-digit number starting with 124 (example: 1240002999999999)
 - A USDA 840 Animal Identification Number (AIN) RFID or visual tag
15-digit number starting with 840 (example: 840003007863940)
- All animals must enter through the Alliant Energy Center Main Gate, Rimrock Road, and stop at the Arena Building to begin health check-in and receive stalling locations. This is the only gate animals may enter through from Wednesday, September 27 through Saturday, September 30.
- Copies of health papers for ALL animals on your trailer will be made.
- A check-in team will escort you as close to your stalling location as possible.
- Animals will be checked against health papers as they come off the trailer. USDA and Wisconsin DATCP veterinarians and World Dairy Expo approved staff, including UW-Madison School of Veterinary Medicine students, will be part of these check-in teams.

Cattle Check-In to Breed Shows

Breed Superintendents and their crews will be in the Pavilions and Cattle Tent verifying class entries, ORIGINAL paper registration certificates and other records. It is the responsibility of the exhibitor to notify the Breed Superintendent of the location of their animals and to make certain the animals are checked into their breed show. All animals must be checked in by 5 p.m. the evening before the start of the breed's show. If an animal has not been checked-in, notify the Cattle Show Office (upper level of the Coliseum) or call the office at (608) 267-3924.

Release of Cattle

Dairy cattle are released beginning at 5:30 p.m. on Friday, October 6. All trucks and trailers will be held in Quann Park until animal release. No cattle trucks and trailers or animal traffic will be allowed into the Rusk lot (south of Pavilions) during egress or in front/east of Pavilion 1 at any time.

No exhibit shall be dismantled or equipment/tack removed from its assigned space until the official show closing time. Pavilions will remain open on Saturday for those wishing to stay overnight. All tack and animals must be removed from the Pavilions and tent by Noon, Saturday, October 7. Animals affected by disease or other unusual circumstances may be released early by written permission from the Breed Superintendent or veterinary staff. Exhibitors shall comply with all decisions of the Show Management and/or Superintendents regarding housing of the cattle or moving animals on the show grounds.

The penalty for early departure, without permission from Show Management is forfeiture of premiums. The exhibitor will be barred from exhibiting at World Dairy Expo in the future unless permission is granted by the On-Site Rules Committee.

On-Site Rules Committee

In the event an on-site rules violation allegedly takes place, it will be reviewed by the On-Site Rules Committee. The Committee includes the World Dairy Expo Dairy Cattle Exhibitor Committee Chair, Dairy Cattle Exhibitor Committee Vice Chair, World Dairy Expo General Manager and the Overall Dairy Cattle Show Superintendent. Three (3) of the four (4) must be present to make a decision on an alleged rules violation. The ruling will then be communicated to the involved party(ies). Written communication/documentation will be distributed to the party(ies) and retained in the World Dairy Expo files. Consequences are dependent on severity of said rules violation.

Feed and Bedding Storage

A one-day feed and bedding supply storage area for exhibitors' own string of cattle will be accommodated within a stalling location. (See definition of String on pg 8) External Pavilion storage is limited. Materials MUST NOT block doorways/exits. Feed and bedding stored around the Cattle Tent must be kept at least five (5) feet from the tent. Additional feed and bedding should be stored in trailers in Quann Park or off-site. Bales of straw and/or hay may be stacked to a height of eight (8) feet. Round and large square bales of hay/straw must be kept tidy for the duration of the show. Violation of grounds safety and cleanliness regulations are considered rules violations and are subject to review by the On-Site Rules Committee.

Feed Vendor

Show Management reserves the right to subcontract feed and bedding vendors. Anyone not contracted through World Dairy Expo, that is found to be selling feed or bedding on World Dairy Expo grounds will be subject to all penalties enforceable.

The official feed vendor, Prairie View Enterprises, will have headquarters at World Dairy Expo. The feed vendor will be on grounds beginning Wednesday, September 27. No bedding is provided by World Dairy Expo; straw and shavings are available for purchase. Bedding with any material other than straw and/or shavings is not permitted.

Feed and Bedding Delivery Times

WDE's official feed vendor will have access to the Pavilions and Cattle Tent as needed Sunday through Friday. Vehicle delivery times for exhibitors must be completed between 6 p.m. – 8 a.m. daily.

Feed and Bedding Delivery Courtesy Carts

World Dairy Expo will provide high capacity, non-motorized platform carts for exhibitor use to aid with delivery of feed supply within the Pavilions and Cattle Tent. All carts must be returned to their designated storage locations. These courtesy carts are provided for the benefit of exhibitors. If carts are not returned, they will not be replaced by Expo.

Official Veterinary Service

World Dairy Expo's official veterinarians will be on grounds the duration of the event and will be available to exhibitors for treatment of animals. Reasonable charges will be made for veterinary services. In case of emergency, you may leave a note on the vet truck parked on the east end of Pavilion 2. Vet phone number(s) will be posted during the show.

Unsettled Bills

All bills with the official World Dairy Expo veterinarian and feed vendor must be settled before leaving the show grounds. **All unsettled bills with the official veterinarian, feed vendor AND World Dairy Expo are subject to late fees.** Premium monies will be held until the past due amount is paid in full. **After December 15th, premium monies will be forfeited, additional late fees assessed and exhibitors with unpaid bills will be barred from exhibiting and/or selling cattle at the following year's World Dairy Expo until the outstanding balance has been paid in full.** This includes members of partnerships.

Sharps

All sharps MUST be disposed of in sharps containers. Disposal of sharps in garbage cans, recycle bins and manure bins is strictly prohibited.

Milking Equipment & Milk Marketing

State of Wisconsin sanitary regulations stipulate World Dairy Expo is not permitted to sell any milk produced from an exhibitor's individual milking equipment (can milk). A milking facility, located in Pavilion 2, is provided. Hours of operation will be posted at the show. All milk revenues will be allocated back to Expo Youth Programs.

Cattle Movement

Cattle are not allowed between Pavilion 1 and The Tanbark/Arena Building, and should not be in the center aisle of the Pavilions.

Cattle Washing

Cattle washing must be done within designated wash racks. These are drained to sanitary sewers to comply with Dane County and City of Madison health requirements. Surface runoff of soaps, manure, etc., must be prevented.

Milk Disposal

Buckets for milk produced outside the milkhouse are available for exhibitor use and may be picked up at the milkhouse, Pavilion 2, beginning Wednesday, September 27. These buckets must be emptied into milk receiving stations, placed around Pavilions 1 and 2 and the Cattle Tent. Routine milk collection runs will be done by UW student workers throughout the week of the show. At the direction of the Madison Metropolitan Sewage District (MMSD), **exhibitors are not allowed to dispense raw milk or other biological materials into any floor drains or release outlets on the Alliant Energy Center campus. Dispensing of such material is a direct violation of MMSD ordinance 84-001, Article V. Violation of this ordinance may result in financial penalties as allowed by State, County and local statutes.** If milk receiving stations need emptying, please notify the Dairy Cattle Show Office (608-267-3924). Milk buckets are provided by Mills Fleet Farm, Windsor, WI.

Manure and Trash Disposal

We ask for all exhibitors' cooperation in keeping the Pavilions and Cattle Tent as clean as possible. If your animal drops manure in the aisles, please clean it up immediately. Manure must be removed by the exhibitor and taken to the specified locations outside of the Pavilions or Cattle Tent for the duration of the show. Exhibitors must provide their own manure carts to move waste to specified manure locations. **String, cans, bottles, and other trash must be deposited in provided trash containers.** Dane County compost regulations and Wisconsin Department of Natural Resources stipulate only bedding materials and manure are to be hauled to the compost site. Milk may **NOT** be dumped in manure piles, Pavilion drains, or anywhere on the Alliant Energy Center grounds.

Pavilion and Cattle Tent Displays

Exhibitors are encouraged to display animal's official pedigree and production records on signs above their cattle. Full sheets of solid paneling in front of the animals will not be allowed to ensure adequate air flow and ventilation. Solid displays in front of cattle are limited to 30" from top to bottom. Dairy cattle exhibitor displays on center aisle panels are limited to 10' x 7' x 24". Displays on north and south wall panels are limited to 10' x 7' and must not protrude from the panel into the walkway. Alteration of any portion of any stalling panels is strictly prohibited. Drilling, taping, stapling, nailing, welding, screwing and adhesives are prohibited from use on any livestock stalling or building surface. Altering or damage to any County-owned property will require either repair at the exhibitor's expense or replacement with fees assessed to the exhibitor.

Promotion and Exhibitor Signage

Exhibitor signage must be hung within the assigned stalling area and may not be hung or displayed on the outside or entryway of buildings. Signage and promotion are limited to: animals owned and their genetics, the farm/owner and/or dairy show cattle services (services are defined as: fitting, boarding, trucking, and/or sale services). Forms of promotion include, but are not limited to, signage, hand-outs, flyers, videos and giveaways.

Farm enterprises wishing to promote dairy industry-related products in the cattle housing area must be enrolled in the Farm Enterprise Program (FEP) and follow all associated program rules and regulations. Show Management, Breed Superintendents and the FEP Committee reserve the right to ask exhibitors to remove unacceptable signage or promotional material.

No Commercial Exhibitor, non-Exhibitor or Sponsor, including Affiliated Companies, shall display signage or promotional materials or distribute and/or provide promotional materials of any kind within the cattle housing areas except as specifically permitted in writing by World Dairy Expo. Any signage or promotional materials distributed within an exhibitor's stalling space must relate only to farm or farm's animal advertising, dairy show cattle services and/or enrolled farm enterprises and shall not promote commercial exhibitors or non-exhibitors. Signage or promotional materials that do not relate to farm or animal promotional matters, dairy show cattle services or FEP, is a rules violation and is subject to review by the FEP Committee. Solicitation of any kind is prohibited in the Pavilion and Cattle Tent areas.

The FEP Committee is comprised of the WDE Board of Directors Executive Committee.

ExpoFM Showing Radio Broadcast

Exhibitors may tune to **95.7 FM** to hear the ExpoFM Showing broadcast live while at the Alliant Energy Center grounds. All Showing announcements and barn calls may be heard on this station.

Animal Care and Cleanliness

Exhibitors are required to give the necessary personal attention to their livestock and equipment. Every exhibitor will be solely responsible for any loss, injury or damage done to or occasioned by, or arising from, any animal exhibited, and for its description as given in the Cattle Log, and shall indemnify the show and hold it harmless from any loss, cost or expense caused by an exhibit. Painting of hooves is prohibited on any concrete surface inside the Pavilions and under the overhangs. Painting is allowed on the blacktop surfaces outside the buildings with the use of a board, rubber mat, feed bag etc. under the hooves.

The Wisconsin DATCP urges that every precaution be taken on the part of exhibitors to use individual utensils in caring for animals. **Common watering troughs are forbidden.** Each exhibitor shall provide water buckets to be used for his/her stock only. The Department also urges all exhibitors to thoroughly clean and disinfect vehicles used to transport their animals to and from World Dairy Expo. All animals should have room enough to be fed and watered in transit, and should not be unloaded or left in a stockyard during transit or at the time of loading or unloading.

Grounds Safety

Alliant Energy Center of Dane County (AEC) is the owner of the grounds. AEC policies, local, state and federal laws must be followed at all times while on AEC grounds. The City of Madison Fire Department has jurisdiction over the grounds with respect to fire code. The following items are indicated as concerns for the event in regards to exhibitors: ***All grills must be at least 25' from the Pavilions, tents or hay storage.*** Exhibitors may use only propane grills. Charcoal grills are prohibited on grounds. Any sort of grilling or open flame within the Pavilions and tents is strictly prohibited. Storage of propane within any building or tent is strictly prohibited.

10'x10' pop-up tents (when purchased with entries) are allowed, with tent tops attached. ***Tents are required to have an operable 2A-10B:C fire extinguisher positioned immediately outside of the tent.*** Exhibitors are required to plug any appliances (blowers, clippers, crock pots, etc.) into a GFCI power strip/outlet. Heavy duty 3-wire electrical cords must be used and under no circumstances can electrical cords touch straw, hay, metal beams or rafters. Portable generators are not allowed on grounds. City of Madison Fire Inspectors and AEC Staff have the authority to look in any pop-up tent, at any time. City of Madison Fire Inspectors and AEC Staff will check with string personnel prior to tent entry.

Exhibitors are asked to comply with all "No Parking" and other posted safety regulations. Fire lanes around the Pavilions and Cattle Tent must be kept open. **Wisconsin Legislature 101.123 states smoking is prohibited in any Pavilion, tent or indoor area.** Strict adherence to these rules is required. Citations will be issued to anyone parked in a "No Parking" area or caught smoking in any Pavilion, tent or building.

Alcohol Policy

World Dairy Expo desires to comply with all existing laws that govern our event, therefore any consumption of alcoholic beverages at World Dairy Expo is required to be done responsibly and legally. Exhibitors are responsible for, and are expected to, eliminate alcohol consumption by minors on grounds. Self-service is prohibited and carrying-in of alcohol at World Dairy Expo is strongly discouraged. The legal age of alcohol consumption in Wisconsin is 21 years old. Violators of the laws will be subject to citations per infraction. World Dairy Expo reserves the right to have any individuals violating the laws removed from the Alliant Energy Center grounds. World Dairy Expo assumes no liability for any damages, injuries or death occurring as a result of any individual's consumption of alcohol. Please ensure there is no self-service of alcohol in your display area. If you would like to have alcohol or any other food or beverage served at your display, please contact Sodexo (formerly Centerplate) at 608-661-0525 who is contracted by the Alliant Energy Center to provide all food and alcoholic beverages on the AEC campus.

Golf Carts and Other Motorized Vehicles

Other than carts registered for use by Expo staff and volunteers, **golf carts are not permitted on grounds.** Four-wheelers, mopeds, unauthorized gators and **unauthorized skid loaders are not permitted on grounds at any time.** Single person motorized scooters are allowed with a medical release and must be registered with the World Dairy Expo administration office.

Dogs On Grounds

Dogs are not allowed on the Alliant Energy Center grounds, excluding service dogs.

Attention Out-Of-State Exhibitors

Wisconsin Statutes require that all trucks and tractors 26,000 pounds and up obtain State of WI Reciprocity Permits or Plates. Permits are available from the Wisconsin Motor Vehicle Division, Madison, WI (608-266-9900).

Dairy Cattle Show Rules & Regulations -

Show Management intends to follow suggestions of the Purebred Dairy Cattle Association in conducting the show, designating the classes and awarding premiums. Only Purebred Dairy Cattle Association recognized breeds are allowed to exhibit at World Dairy Expo. The following rules and regulations apply unless an exception is given in the individual breed sections that follow.

Interpreting & Amending Rules

Show Management reserves the right to amend or add to these rules, if deemed necessary. Show Management also reserves the final and absolute right to interpret the rules and regulations of the show, and will arbitrarily settle and determine all matters, questions or differences in regard thereto, or otherwise arising out of or in connection with the show.

Dress Code & Show Harnesses

All exhibitors are required to wear white trousers and an official harness when leading animals in the Showing. No hats or caps will be allowed. **Shirts with farm names or agricultural logos are prohibited.** Enforcement is strict and violators will not be permitted to enter the ring. Official World Dairy Expo Showing Harness is a front-and-back show card harness which holds a 5" x 7" card.

Any person leading an animal at World Dairy Expo must be at least nine (9) years of age as of the breed show day at World Dairy Expo. No child under the age of nine (9) may accompany an adult in the Showing. Only one person is allowed at the halter of an animal.

Junior Show Shirts

All junior exhibitors are required to wear a **World Dairy Expo provided Junior Show shirt and white pants** while exhibiting. Provide shirt size when making entries. Shirts may be picked up at the Dairy Cattle Show Office, upper level of the Coliseum or at the Dairy Cattle Exhibitor Appreciation Picnic presented by Destination Madison.

Junior Show Shirts are provided in cooperation with:

Ayrshire Breeders Association
Brown Swiss Cattle Breeders Association
Danone North America
E-Zee Milking Equipment, LLC

Ma-Brown Holsteins & Jerseys
Red & White Dairy Cattle Association
Select Sires, Inc.

Showing Animals & Availability For Judging Contests

Exhibitors and Sale Managers shall make their animals available for participation in all judging contests as directed by Show Management. Animals must be washed and clipped. In case of refusal to comply, any or all premiums may be forfeited and the exhibitor, including partnerships, may be barred from the showing and/or sale of cattle at World Dairy Expo.

Ultrasounding Before Exhibiting

Exhibitors wishing to have animals ultrasounded before entering the Showing may do so. Proceed to the ultrasound tent to coordinate with the ultrasound crew. Results of the ultrasound will be kept confidential and will not affect exhibition status.

Conflict of Interest Policy Regarding Official Judges

The animal in question will be allowed to circle the ring but must be placed by the Associate Judge. If both the Official and Associate Judge have a conflict of interest in placement of an animal, Show Management will designate an alternate judge for placement of the animal. Exhibitors will be notified of the conflict of interest during that class's reasons.

Breeding Animals

Every female over 24 months of age must have calved within 18 months of the show or proven to be with calf or have a pregnancy. Animals shown in the Milking Yearling and older classes must be shown in milking form.

Clones

All clones will be considered as offspring of the donor's dam and sire. Please consider this when entering Produce of Dam and Dam & Daughter classes.

Cell Phones

The use of cell phones or any personal electronic communication device in the Showing is strictly prohibited.

Affidavits

All statements required of exhibitors in making entries in regard to registry, age, pedigree, soundness, veterinary treatments, etc., must be verified by proper affidavit, if required.

Substitutions

Each exhibitor will be granted one substitution at no charge per year. Substitution criteria include: 1. An unfreshened animal substituted for an unfreshened animal OR a freshened animal substituted for a freshened animal; 2. Substitute animal must be same breed as original entry; 3. Both animals must have **IDENTICAL** ownership printed on registration papers; and 4. Substitution must be made no later than time of breed show check-in. Additional substitutions will be considered an added/late entry. Late fees will apply. Moving an animal from one class to another in order to replace a previously entered animal is allowed **ONLY** for a milking female to the Production Cow Class or from the Production Cow Class to her appropriate age class, and a non-milking yearling to the Milking Yearling Class. (example: Animal A moves from 6-Year-Old and Older Class to Production Cow Class OR Animal B moves from Fall Yearling Class to Milking Yearling Class after calving.)

Heifer/Milking Class Transfers

Animals shall enter and show in only one class. Transfers between equivalent heifer and milking classes will only be permitted with the original animal entered. Class designation must be made no later than breed show check-in, with exception for animals that freshen after check-in, and must be transferred to their respective milking class.

Erroneous Entry

Animals that have been erroneously entered may, at the discretion of the Breed Superintendent, be transferred to their proper classes at cattle check-in.

Showing Numbers

Each individual animal or group entry will receive a unique Showing number (backtag). Each entry will be issued two (2) cards with the Showing number. These official Showing cards will be available for pick up at the breed meetings. Following the breed meetings, Showing numbers will be available **only** in the Dairy Cattle Show Office, top level of the Coliseum. Cards must accompany the animal/group through the Hair Tent and be displayed in the exhibitor's show harness while in the Showing so that the animal may be properly checked-in and placed.

Group Classes - **NEW THIS YEAR**

All group class entries are ONLINE ONLY and must be made prior to their respective breed show meeting. No ringside entries will be accepted. Paper registration certificates for all animals entered in any group class must be brought into the Showing with the animals. Failure to present the paper registration certificates for any animals entered in a group will automatically disqualify the group. Animals participating in any group class must have checked-in ringside for their individual class.

Ownership

To be eligible for competition, whether single or in groups, animals must be entered exactly as ownership appears on the registration certificate. The registration certificate showing the most recent date of activity will be considered official. Sale animal ownership will be that of the consignor. Original paper registration certificates showing ownership must be available, for verification by the Breed Superintendent, at anytime after the animals are housed.

Animals owned in partnership may be shown in the name of the partnership only, except for "Family" as defined on page 15, under EXHIBITOR DEFINED. For example, if Exhibitor A and Exhibitor B own an animal in partnership and each owns animals individually, three (3) separate exhibitors exist.

1 for Exhibitor A; 1 for Exhibitor B; 1 for Exhibitor A & B Partnership

New ownerships can be created after the entry deadline, providing the animal is entered. **Ownership cannot change after the animal is checked in ringside for its individual class.** In the case of sale animals and animals sold after entry, notify the Dairy Cattle Show Office, top level of the Coliseum. Every attempt to announce the new owner will be made. Premiums will be paid to the new owner when complete address and tax identification information is provided.

Breeder Defined

The owner of the dam at the time of service shall be considered the breeder of the animal. Where a herd is registered in the names of different members of a family, and where the herd is one unit, all entries may be considered as exhibits of one breeder. **Please Note:** To qualify for Bred & Owned Awards, one of the original owners must be listed as one of the current owners. Bred & Owned should also be checked on the entry form.

Exhibitor Defined

The exhibitor must be the owner. In the case a herd is registered or bred in the names of different members of a family or partnership, lessees within a family unit or partnership, residing on one farm or breeding establishment, and where the herd is one unit, all entries may be considered as a single exhibitor for all group classes. Members of one family and/or partnership, where cattle are not housed as one unit, will be considered as a single exhibitor.

Family Defined

Immediate family is defined as a person's parents, siblings, spouse, children, grandparents, grandchildren, and nieces and/or nephews.

Premier Breeder

The breeder winning the most points (not to exceed six animals) in the open single classes exhibited by themselves and/or other exhibitors, shall be designated the Premier Breeder. In classes with 10 or fewer animals, no more than two head per breeder will be counted toward premier points.

Unique partnerships must be entered as separate premier breeder entries. If Breeder A and Breeder B bred an animal in partnership and each breed animals individually, three separate premier breeder entries exist.

1 for Breeder A; 1 for Breeder B; 1 for Breeder A & B Partnership

Premier Exhibitor

The exhibitor winning the most points (not to exceed six animals) which he/she owns and exhibits in the open single classes, shall be designated the Premier Exhibitor. In classes with 10 or fewer animals, no more than two head per exhibitor will be counted toward premier points.

Premier Breeder & Premier Exhibitor of the Heifer Show

The same rules will apply as listed above for Premier Breeder and Premier Exhibitor. Spring Heifer Calves through Fall Yearling Heifers (not in milk) are eligible for nomination. These calves and heifers may also be eligible for the overall Premier Breeder and/or Premier Exhibitor.

Premier Breeder & Premier Exhibitor (Heifer Show and Overall) Online Entry

Those breeds with a one day show (2023: Guernsey) must submit Premier Breeder and Premier Exhibitor entries, for both the Heifer Show and overall, by 5 p.m., the day prior to their respective shows. For all other breeds, Premier Breeder and Premier Exhibitor entries for the heifer show must be made by 10 a.m. the day of breed show, overall entries must be made by 5 p.m. the day prior to breed cow show. Overall Premier entries *that include heifers* must be received by 10 a.m. day of heifer show. Exhibitors must submit their Premier Exhibitor and Breeder entries online. Login is not required, provide your email address (optional) to receive confirmation of your entries. To assist exhibitors with Premier Breeder entries, the online system is searchable for animals being exhibited at World Dairy Expo that you have bred but no longer own.

Premier Class Entry Closing Dates/Times		
By Breed		
	Heifer Show	Overall
	Premier Breeder & Premier Exhibitor	Premier Breeder & Premier Exhibitor
Ayrshire	Mon. Oct. 2, 10 a.m.	Mon. Oct. 2, 5 p.m.

Red & White	Wed. Oct. 4, 10 a.m.	Wed. Oct. 4, 5 p.m.

Ayrshire, Brown Swiss, Holstein, Jersey, Milking Shorthorn, Red & White:
If your Overall Premier Breeder and/or Exhibitor entries include heifers, they MUST be received by 10 a.m. day of heifer show.

Premier Sire & Premier Sire of the Heifer Show

The Premier Sire will be the sire winning the most points on not less than four and not more than eight progeny in the open single classes. The Premier Sire of the Heifer Show will be the sire winning the most points on not less than four and not more than eight progeny in the open single Heifer classes.

Premier Breeders, Premier Exhibitors and Premier Sire Point System

Points will be given to 20 places for females in determining Premier Breeder and Premier Exhibitor of the Heifer Show and Overall and Premier Sire. If Milking Shorthorn futurity entrants show in their respective Two-Year-Old class, then premier points earned in their futurity will be forfeited. The premier points for those entries would result from the animal's placing in her respective breed show Two-Year-Old Cow class. The following points will be awarded:

WARNING

ALL required health papers must accompany the cattle and be available for inspection upon arrival. Cattle will not be health tested on the facility grounds for the purposes of showing. World Dairy Expo staff, with assistance from the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP), USDA and the University of Wisconsin-Madison School of Veterinary Medicine, will check all papers. Animals will not be allowed on the grounds until health papers have been verified.

Cattle without health papers:

- 1) Will be placed in a quarantine area until proper health papers are presented OR**
- 2) Will be required to leave the grounds**

Identification Requirements

All cattle attending World Dairy Expo must have official individual identification regardless of age. Acceptable forms of animal identification are: a USDA AIN 840 tag (RFID or visual), a Canadian AIN RFID 124 tag, or a manufacturer-coded 900, 982 or 985-series RFID tag. **NOTE: Manufacturer coded RFID tags were discontinued as official ID by USDA starting in 2015. However, tags applied before March 11, 2015 will be recognized for the life of the animal.*

Paperwork Requirements

All Wisconsin cattle must be accompanied by a certificate of veterinary inspection (CVI, also known as a health certificate) documenting official animal identification.

Cattle from Michigan's Federal TB Free Zone and Texas

As long as you are not involved in any TB-positive or exposed herd investigations, here's what you need to bring in cattle from these states:

1. You must have a current Certificate of Veterinary Inspection (CVI, also known as a health certificate).
2. Each animal must be officially identified via a USDA 840 tag (RFID or visual) or a Canadian AIN RFID 124 tag. (See note above regarding manufacturer-coded tags) There is no age or sexual status exemption for the ID requirement.
3. Tuberculosis: Each animal needs either a negative tuberculosis test within 60 days prior to the date of import to Wisconsin or, if the animals originate from a currently accredited TB-free herd, individual TB tests are not required, but the accreditation number and the date of the last whole-herd TB test must be on the CVI. A whole herd TB test is not required. There is no age or sexual status exemption for the TB test requirement.
4. A brucellosis test, vaccination or statement is not required at this time.
5. No other tests or statements are required at this time.
6. An import permit is not required.
7. If there is a current vesicular stomatitis diagnosis or quarantine in the state of origin, effective May 30, 2014, Wisconsin no longer requires a permit or special statements.
8. If the animals will be offered for sale, they must meet the requirements listed in the World Dairy Expo premium book.

Cattle from Michigan's federal Modified Accredited (MA) Zone

These rules apply to cattle from the following Michigan counties: **Alcona, Alpena, Montmorency and Oscoda**. The import regulations for Michigan's MA Zone are the same for World Dairy Expo as they are for other cattle imports, with the exception of the show-only statement (see item 1 below):

1. You must have a current certificate of veterinary inspection (CVI, also known as a health certificate). The CVI must include a version of the following statement: "This animal is/ these animals are coming to World Dairy Expo only and will return to the state of origin after Expo."
2. Each animal must be officially identified via a USDA 840 tag (RFID or visual) or a Canadian AIN RFID 124 tag. (See note above regarding manufacturer-coded tags) There is no age or sexual status exemption for the ID requirement.
3. Tuberculosis: Each animal must have a negative individual TB test within 60 days before the date of import and originate from a herd that has had a negative whole-herd TB test for all animals one year and older within the last 12 months. The injection dates of both tests must be written clearly on both the import permit application form (see #4) and the CVI. There is no age or sexual status exemption for the TB test requirement.
4. An import permit is required. The import permit application form is available from: https://datcp.wi.gov/Pages/Programs_Services/WorldDairyExpo.aspx, or you can have it faxed to you by calling (608) 224-4874 during regular business hours. Fill it out completely – all the boxes marked with an asterisk are required. You will need to write in the Alliant Energy

Center's livestock premises code, which is 004A6S7. Import permit applications without the livestock premises code will not be processed. Note: The "applicant" who signs the form can be the owner, or it can be the veterinarian or someone from the vet clinic staff – it doesn't have to be the owner. When the form is completed, fax or email it, along with the signed and dated CVI, to (608) 224-4871 or DATCPAnimalImports@wisconsin.gov. When the import permit is approved, a permit number will be issued by a Wisconsin state veterinarian and provided back to requestor. The permit number must be written on the CVI.

5. A brucellosis test, vaccination or statement is not required at this time.
6. No other tests or statements are required at this time.
7. If there is a current vesicular stomatitis diagnosis or quarantine in the state of origin, effective May 30, 2014, Wisconsin no longer requires a permit or special statements.
8. If you intend to sell animals at Expo, you may do so only if the animals return to their state of origin after the show (as stated on your certificate of veterinary inspection). The animals may then travel to their new owner with a new CVI. Make sure the animals meet the import requirements of the state of destination. Please consult the World Dairy Expo premium book for any additional testing requirements.

Cattle from All Other States

For animals from the states that aren't listed above, the import requirements are the same as for other cattle imports.

1. You must have a current Certificate of Veterinary Inspection (CVI, also known as a health certificate).
2. Each animal must be officially identified via a USDA 840 tag (RFID or visual) or a Canadian AIN RFID 124 tag. (See note on page 17 regarding manufacturer-coded tags) There is no age or sexual status exemption for the ID requirement.
3. Tuberculosis testing is not required at this time.
4. A brucellosis test, vaccination or statement is not required.
5. No other tests or statements are required at this time.
6. An import permit is not required.
7. If there is a current vesicular stomatitis diagnosis or quarantine in the state of origin, effective May 30, 2014, Wisconsin no longer requires a permit or special statements.

Cattle from Outside the United States

To bring in cattle from outside the United States, you will need to meet the import requirements established by the United States Department of Agriculture. You can learn more at the website for the National Center for Import and Export (NCIE), www.aphis.usda.gov/aphis/ourfocus/import-export or by calling the NCIE at (301)851-3300.

All testing requirements are subject to change. For the most current testing information for cattle attending the show only, please go to https://datcp.wi.gov/Pages/Programs_Services/WorldDairyExpo.aspx

General Notes

All cattle exhibited must be free of contagious and infectious diseases, including ringworm, scabies, mange, warts and pinkeye. Cattle under quarantine are not eligible for exhibition. Cattle that come from an area which is considered to be quarantined because of the presence of or exposure to a highly contagious disease cannot be shown at World Dairy Expo. Expo or DATCP have the right to require such tests and examinations as may be necessary to determine the disease status of any animals exhibited, and to exclude or remove, under a permit from DATCP, any animal afflicted or suspected of being afflicted with any contagious disease.

Drug usage: Cattle at the show may only be treated with USDA-licensed FDA-approved drugs. Withdrawal time periods must be strictly observed. Extra label use of all drugs must be under the direction of a licensed veterinarian. Evidence of same shall be provided in writing if requested by Expo or DATCP.

- World Dairy Expo Showring Policy and Code of Ethics -

World Dairy Expo is one of the premier dairy shows in the world. As an elite show, World Dairy Expo has the responsibility of maintaining a first-class image of fairness and ethics. The regulation of unethical practices is necessary to maintain a positive international reputation and to make sure good animal husbandry is on display for all spectators. World Dairy Expo seeks to promote exceptional animal practices, attractive exhibits and a high-quality show for exhibitors and spectators.

World Dairy Expo endorses the PDCA Show Ring Code of Ethics in all breed shows and will give full cooperative support to the judges and the respective National Breed Associations to keep the show procedures within these guidelines.

To detect unethical procedures, Show Management will use technologies for testing animal body fluids or tissues and examination techniques, such as ultrasound. An exhibitor, by making an entry, is consenting to the collection of materials, e.g. milk, blood, hair, etc., photographic or direct examination, at any time the animal is on grounds. Furthermore, by making an entry, the owner(s) and/or exhibitor, as well as any individual handling, caring for or fitting the animal, is agreeing to supply proper animal and personal identification when asked by Ethics Personnel or Show Management. Before each show, ultrasound will be available for any exhibitor to voluntarily have his or her animal scanned and the results confidentially shared with the exhibitor.

Extra-label use of all drugs must be under the direction of a licensed veterinarian. Evidence of the same shall be provided in writing, if requested.

The following are examples of practices or procedures that are violations of the World Dairy Expo Showring Policy and Code of Ethics, these include but are not limited to:

1. Misrepresenting the age, lineage/breed and/or milking status of the animal for the class in which it is entered.
2. Treating an animal, particularly the udder, without a verifiable veterinary need for that treatment, internally or externally, for the purpose of improving the appearance.
3. Using a device to artificially create or enhance the udder crease. Note: Ice pieces may be used on an animal if they are contained in a plastic bag.
4. Administering an injected or applied anesthetic to alter the carriage of the tail or other body parts.
5. Surgically or unethically inserting any matter under the skin or into any body cavity to change the natural contour or appearance of the animal's body. After 12 a.m. on the day in which an animal is to show, no administration of fluids by mouth is allowed, unless it is deemed therapeutically necessary and is then only administered by the official World Dairy Expo Veterinarian. Therapeutic administration of fluids by stomach pump will be allowed at all other times.
6. Criticizing or interfering with the judge, Show Management or other exhibitors while in the Showring, on show grounds or other conduct detrimental to the breed or the show.
7. Challenging, threatening, criticizing or interfering with an Ethics Committee member or volunteer appointed by Show Management to monitor the animals on exhibit on the show grounds.
8. Failing to provide proper/accurate animal and/or personal identification when asked by ethics personnel or Show Management.
9. Adding real or artificial hair or hair-like substances to any part of the animal, except for false switches.
10. Excessively manipulating topline and/or tailhead hair beyond 1 1/2 inches from the skin. Exhibitors have only one opportunity per show to check-in ringside.

***Should a Topline Violation occur (i.e. adding real or artificial hair or hair-like substances or if topline hair is in excess of 1 1/2 inches):** The Topline Enforcement staff will inform the exhibitor that if they choose to enter the Showring, after being informed of a Topline Violation, an ethics violation will have occurred. An On-Site Topline Committee will, in the event of a hair violation where the exhibitor chooses to enter the Showring, act to review the infraction immediately after the animal in question exits the Showring. The On-Site Topline Committee shall consist of five (5) eligible members with three (3) being present to review and document the second hair measurement. The five eligible member positions are: Overall Dairy Cattle Show Superintendent, a Breed Superintendent - not affiliated with the breed in question, World Dairy Expo General Manager, World Dairy Expo Dairy Cattle Show Manager and a Hair Tent Ethics representative. The ethics ruling after the second evaluation will be final.

11. Changing the natural color of the animal is prohibited. However, external applications of cosmetics that affect only appearance may be used, including by way of example color touch up of a maximum of 4" on either side of the topline, hoof polishes and false switches.
12. Mistreatment of an animal.
13. Unsportsmanlike conduct on the part of showmen or their representative(s).
14. Improper fitting practices, such as over filling and over bagging.

Unethical practices or procedures not listed above are subject to review by the Ethics Coordinator, Dairy Cattle Exhibitor Committee Chair, the Overall Dairy Cattle Show Superintendent, the World Dairy Expo General Manager and the World Dairy Expo Dairy Cattle Show Manager. At least three (3) of these five (5) will make the initial determination as to whether any disciplinary action is necessary.

- Enforcement Procedures -

1. The Ethics Committee, which will include the Ethics Coordinator, an Ethics Veterinarian and assistants, appointed by World Dairy Expo Management, will be on duty at World Dairy Expo.
2. The Ethics Committee will be responsible for monitoring violations of the World Dairy Expo Showing Policy and Code of Ethics by exhibitors and their representatives.
3. To the extent reasonably possible, the identity of the animal, the owner and/or other involved parties will be kept confidential.
4. Complaints of alleged violations may be presented to Breed Superintendents, the Overall Dairy Cattle Show Superintendent, the Dairy Cattle Exhibitor Committee Chair, World Dairy Expo staff and/or the Ethics Committee.
5. All complaints of alleged violations received by the above individuals will be presented to the Ethics Coordinator to determine investigative requirements.
6. All findings of the Ethics Committee will be presented to the Ethics Coordinator.
7. The Ethics Committee has the authority to inspect all animals to determine if violations of the World Dairy Expo Showing Policy and Code of Ethics have occurred. To help in this regard, the Ethics Committee has the authority to perform the following:
 - a) Pull hair samples;
 - b) Draw blood samples;
 - c) Perform an ultrasound examination of the udder, prior to milkout;
 - d) Perform a milkout of any individual cow or cows;
 - e) Collect and test any of the animal's body fluids;
 - f) Use any technology that may be useful in determining if a violation has occurred in any animal based on placement, random selection or suspect characteristics;
 - g) Require delivery to the Ethics Committee of hypodermic syringe, needle or other devices, swabs, cloths, or other material, or samples of any medicine, preparation, or substance, whether in liquid or other form, in the possession or control of the exhibitor, the fitter, agents or persons acting on behalf of the exhibitor for the purpose of laboratory analysis.
8. Following the judging of the milking cow classes, the Ethics Committee will ultrasound the udders, prior to milkout, of at least the top one third of each class.
9. Following the judging of all milking cow classes, milk samples will be taken from a minimum of three cows in both the open and junior show – the Grand Champion, the Reserve Grand Champion and the Honorable Mention. Random ultrasound and milk samples will be taken in milking cow classes. Exhibitors who are selected to have milk samples taken from their animals will be presented a colored card with directions. The owner or his/her representative shall call the phone number(s) on the colored card they receive, before removing teat seals, to have a milk sample taken. Samples are not required to be drawn immediately following the class; however, teat seals may not be removed for milking until an ethics representative is present to take the samples.
10. All milking form animals competing in the Supreme Champion Ceremony, both Open and Junior, will be ultrasounded again after exiting the Showing.

11. An individual who is not necessarily an owner or exhibitor but who commits a violation of the World Dairy Expo Showing Policy and Code of Ethics, will be subject to the same ethics enforcement procedures and sanctions as the owner or exhibitor.
12. If an ethics violation occurs at the show, the Ethics Coordinator may take one of the following courses of action, depending on the severity of the violation. These include, but are not limited to:
 - Report to the Breed Superintendent, who may inform the judge of the violation. The judge may consider the violation in the placing of the class.
 - Report to the Overall Dairy Cattle Show Superintendent, who will inform the judge for action in placing the class.
 - Report the violation to at least two of the following four individuals for action to be determined: Overall Dairy Cattle Show Superintendent, Dairy Cattle Exhibitor Committee Chair, World Dairy Expo General Manager, World Dairy Expo Dairy Cattle Show Manager.
13. Following the completion of World Dairy Expo and the evaluation of the hair samples/measurements, ultrasound readings and upon the receipt of the milk sample and blood sample analysis or other lab reports, and reports of eye witnesses or Ethics Committee personnel, the Ethics Coordinator will submit a report to Show Management if any violations have occurred. This reporting will happen as soon as reasonably possible after the end of the show.
14. If evidence suggests that a violation has occurred, the General Manager will promptly notify the accused individual(s) and/or owner(s) as listed on the entry form of the suspected violation and will provide the accused individual(s) with copies of the supporting evidence to the extent reasonably possible. Anonymity of the accused individual(s) and/or animal will be maintained by World Dairy Expo throughout the enforcement process and indefinitely. As soon as possible thereafter, an ethics hearing will be scheduled.
15. The Ethics Coordinator and the Overall Dairy Cattle Show Superintendent will present the evidence, while maintaining individual confidentiality, at a hearing of the Ethics Subcommittee of the Dairy Cattle Exhibitor Committee. Generally, the Ethics Subcommittee will consist of nine people, seven Dairy Cattle Exhibitor Committee members, including representation of at least four different breeds, and two members of the Board (not on the Executive Committee). They will serve as a jury to determine whether the accused individual(s) are guilty of a violation and, if so, what penalty is appropriate for the violation. A guilty verdict must be by a 2/3 majority of the Subcommittee. The hearing will be presided over by the Chair or Vice-Chair of the Dairy Cattle Exhibitor Committee. The accused individual will be invited to defend or explain the allegations, submit evidence and/or have representation at the meeting. A report of show ethics will be provided to the Executive Committee and Dairy Cattle Exhibitor Committee, but names of exhibitors and animals will be withheld.
16. Promptly after a hearing of the Ethics Subcommittee, the General Manager will inform the accused individual(s) of the determinations of the Ethics Subcommittee. It is the accused individual(s) responsibility to notify any other owners of the determination by the Ethics Subcommittee.
17. If found guilty of a violation of the Showing Code of Ethics, the penalty for the individual, the exhibitor, the representative and/or the animal may range from a letter of reprimand to being barred from participating in World Dairy Expo. The identity of the animal(s), exhibitors and/or representatives that are barred will be kept confidential to the extent reasonably possible.
18. An animal found in violation of the Showing Code of Ethics will not receive any premiums, their placing will be removed and the animal and/or owner/representative must observe any penalty placed upon them.
19. If the individual, the exhibitor and/or their representatives are guilty of repeating a violation in more than one World Dairy Expo, they and/or the animal could be barred from participating at World Dairy Expo for life.
20. Barring an exhibitor or representative and/or an individual will result in animals owned fully or in partnership by that individual, farm and/or affiliated entity not being allowed to enter, exhibit or sell in World Dairy Expo shows and/or sales. The barred individual will also be ineligible to be present in the Showing, and/or serve any other official capacity for the length of the bar. Any individual barred for an ethics violation at any point of time (regardless of timing or length of bar) must be approved by World Dairy Expo's Executive Committee prior to being nominated to represent World Dairy Expo on the Board of Directors, an official committee or as an official judge.

Ballots will be e-mailed to all Ayrshire exhibitors after this year's show.

Rules for Junior-Owned Animals Exhibited at the International Ayrshire Show

All general rules of World Dairy Expo apply,
including the World Dairy Expo Showing Policy and Code of Ethics.

The International Junior Ayrshire Show will be held at the same time as the Open Show. Juniors will be recognized, placed and awarded ribbons and premiums by stepping forward in their respective Open Show classes. Ribbons are provided by the U.S. Ayrshire Breeders' Association.

1. **Eligibility:** Participation in this show is open to all young men and women who own registered Ayrshires. Exhibitors may participate after they reach 9 years of age and until December 31 of year in which he or she turns 21 years old.
 2. **Ownership:** Animals may be owned solely by the junior exhibitor or in a partnership provided the junior exhibitor's name appears on the registration paper, prior to August 1 of the current year. All purchased animals must be transferred by August 1 of the current year. The date of sale and not the delivery date will be considered the transfer date. Registration papers will be checked at the show. In lieu of ownership, an Ayrshire Breeders' Association lease agreement will be accepted. The lease form must be received by the Ayrshire Breeders' Association office prior to August 1st.
 3. **Participation:** a) A junior exhibitor may exhibit up to two (2) animals per class, with a substitute showman, as long as the substitute showman is the same age as or younger than the junior exhibitor. Not more than four may be shown in the entire show that were not bred by exhibitor. In order to qualify as breeder, the registration paper must show the junior exhibitor or a partnership including the junior exhibitor as the breeder. b) Adults are not allowed to show in any Junior class or assist in the ring. c) White pants and an official World Dairy Expo Junior Show shirt are required to be worn or the junior will not be allowed to show his/her animal.
 4. **Leadsperson:** To be eligible to compete at National Shows, entries must be shown by the Junior owner in all cases, except by prior written approval. Alternate Leadsperson forms must be submitted to the Ayrshire Breeders' Association office or ABA representative by 5:00 p.m. the day before the show. Written requests must be submitted by this time or the animal is ineligible to show, unless there is an unforeseen circumstance. Alternate leadspersons must be (1) siblings of the exhibitor who are eligible to show by age, OR (2) if not a sibling, be of the same age category (Junior – ages 9-12) (Intermediate- ages 13-15) (Senior – ages 16-21) as the exhibitor of the animal being shown. All ages are as of January 1st of the year of competition.
 5. **Entry Requirements:** All open show entry requirements and fees apply. The stall fee will qualify the exhibitor for open and junior show participation. All entries must be made at WorldDairyExpo.com online entry with proper payment. Junior Exhibitor must be checked on the animal entry to signify Junior ownership.
 6. **Financial Support:** Premiums of \$1,735 will be paid by World Dairy Expo. Total premiums paid in the junior show will not exceed \$1,735. If total potential junior premiums exceed \$1,735 adjustments will be made per class.
 7. **Premiums:** The following premiums in each of the following classes will be offered on junior-owned animals.

344. Total Performance Winner (Entry Not Required)

This class will recognize a cow on her Total Performance - milk production and showing placing. Her total score will be determined by:

- (1) Points awarded based on placing in her respective class. Points are on a 100-point ranking system.
- (2) Her highest 305-day, Energy Corrected Milk (ECM) record; and
- (3) The total pounds of ECM produced per day over 24 months of age up through July 1, 2023. (Up-to-date production through July 1, as reported on the monthly DHI report, should be supplied by the exhibitor two weeks prior to show day.)

The requirements a cow must meet to qualify for the Total Performance class are as follows:

- (1) Born before September 1, 2017;
- (2) Completed three lactations by July 1, 2023;
- (3) Possess at least one official DHI record in 305 days, at least 20,000 lbs. of milk or 800 lbs. of butterfat or 700 lbs. of protein;
- (4) Place in the top 50% of her respective class (top five if less than 10 in class);
- (5) Confirmed pregnant if last calving or embryo collection is more than 12 months prior to the show date.

Official lifetime production records on all qualifying cows must be sent to and received by the Brown Swiss Association office at least two weeks prior to show day so that records can be verified and production scores calculated. Records received after that will be accepted only with a \$50 late fee. The DHI sheet showing credits up through July 1 will be accepted to update lifetime records. It is the owner's responsibility to supply these records, including the July test sheet.

The Total Performance Award is presented at each national show to the exhibitor whose cow has the highest score based on the above criteria. The winner at each show receives a banner. The overall winner is named the National Total Performance Winner and receives a trophy at the following Brown Swiss Annual Meeting. 1st Place Award presented by Royal Hill Swiss, Don Graft, Fort Wayne, IN

Rules for Junior-Owned Animals **Exhibited at the International Brown Swiss Show**

**All General Rules of World Dairy Expo apply,
including the World Dairy Expo Showing Policy and Code of Ethics.**

The International Junior Brown Swiss Show will be held at the same time as the Open Show. Juniors will be recognized by stepping forward in their respective Open Show classes.

Eligibility Rules:

- 1. **Eligibility:** Junior must be 8-21 years of age by January 1 of the current year.
- 2. **Animal Eligibility:** Identified females: RF, ID, or IDR animals are not eligible to be shown.
- 3. **Membership:** Junior must be a National Brown Swiss Junior member by show time.
- 4. **Ownership:** For an animal to be exhibited as Junior owned, in all classes, the recorded ownership must show in the sole ownership of the exhibitor or a partnership comprised of Brown Swiss Association Junior members. (Adult-Junior partnerships and family partnerships are not acceptable.) All transfers and recorded ownerships must be dated by August 1st of the current show year for all classes. If joint ownership, one of the owners must be declared the exhibitor during check-in. Awards will be presented as one unit, to all owners equally. Animals that are leased through the National Brown Swiss Association Lease Program (recorded by June 1st of the current year) are also eligible to be shown as juniors. The leased animal's recorded owners will receive open show awards.

5. **Lease:** The junior who leases the animal is to show her.
6. **Participation:** Entries must be shown by the exhibitor, except by prior written approval by the National Brown Swiss Association. Request for alternate leadsperson must be submitted to the the National Association representative on the alternate leadsperson form no later than 5 p.m. the day prior to the show. The alternate leadsperson must be a National Brown Swiss Association Junior Member.
7. **Entry:** All entries must be made at WorldDairyExpo.com online and junior exhibitor must be checked. On the day before the show, a National Office representative will check junior eligibility.
8. **Show Attire:** White pants and an official World Dairy Expo Junior Show shirt are required. Items of clothing with a farm name are not permitted.

Awards:

1. Each class winner will receive an award.
2. Juniors also receive production awards based on the highest 305d, ECM record. Production records must be sent to and received by the Brown Swiss Association office two weeks prior to show day. These awards are provided for a junior-owned animal in each of the following classes: Senior Two-, Junior & Senior Three-, Four- and Five-Year Old, Aged, and Component Merit.
3. Financial Support: Premiums of \$1,795 will be paid by World Dairy Expo. Total premiums paid in the junior show will not exceed \$1,795. If total potential junior premiums exceed \$1,795, adjustments will be made per class.
4. The following premiums will be offered to junior-owned animals in the following classes:
 Spring Calf through Spring Yearling: \$25-20-15-15-10-10-10-10; Winter Yearling Heifer: \$25-20-15-15-10-10; Fall Yearling Heifer: \$25-20-15-15; Yearling Heifer in Milk: \$50-35; Summer Junior Two-Year-Old-Cow through Aged Cow, Six-Year-Old & Over: \$50-35-25; Component Merit Cow: \$50-35

This is not a lead-out class. However, the winning animal will be asked to enter the ring and award presentation will be made at this time. To be eligible animals must place in the top 50% of the class.

Points will be calculated as follows:

Production: 10 points for each 1,000 pounds of milk based on the average of the top two records. One point for each 10 pounds of combined butterfat and protein (CFP) based on the average of the top two records.

Yield Deviation: 10 points for each 100 pounds of milk, one point for each pound of CFP.

Appraisal Score: The cow's current official appraisal score will be doubled.

Show Placings: Points will be awarded on the basis of the official placing in the class. These points will be taken from the scale used for Premier Breeder and Premier Exhibitor and multiplied by 20 to equal show points.

Breeder: 50 bonus points shall be awarded if the exhibitor is the breeder of the animal.

If a tie should exist, a lactation factor shall be applied with 10 points being awarded for each lactation the cow has completed.

Rules for Junior-Owned Animals **Exhibited at the International Guernsey Show**

**All General Rules of World Dairy Expo Apply,
including the World Dairy Expo Showing Policy and Code of Ethics.**

The International Junior Guernsey Show will be held at the same time as the Open Show. Juniors will be recognized, placed, and awarded ribbons by stepping forward in their respective Open Show classes. Junior Awards are presented by the presenter listed for each class.

Eligibility: Participation is open to any AGA Junior Member who has not reached their 21st birthday by January 1st of the current year and are over the age of eight on that date. World Dairy Expo requires leadpersons to be at least nine years of age on Show Day.

Ownership: In all classes, the recorded ownership must show in the sole ownership of the junior exhibitor or partnership comprised of only AGA Junior Members or a participant in the American Guernsey Association Youth Lease Agreement Program, no adults or farm names may be listed. The qualifying record of ownership or lease for animals, other than those bred by the junior exhibitor, shall be determined by the actual date the application for transfer of ownership was received in the offices of the American Guernsey Association. This date is automatically stamped on the front of the registration certificate and will be found with the transfer of ownership data. All guidelines and terms must have been followed and a copy of the signed and dated (on or before August 1, 2023) agreement must be present. If the participant is exhibiting under the American Guernsey Association Youth Lease Agreement Program, all guidelines and terms must have been followed and a copy of the signed and dated (on or before August 1, 2023) agreement must be present.

Participation: The listed owner of the animal must lead the animal. If the owner is not present, an AGA Junior Member the same age or younger may lead the animal. A substitute leadperson may only be used at a single show per year for each animal. No person older than the owner, other than show management, may lead the animal in the ring at any time. Substitute leadpersons are not permitted for leased cattle. Injury or multiple animals in the ring at the same time are the only valid reasons to use a substitute leadperson if the junior owner is present at the show. An AGA approved substitute leadperson form must be filled out prior to each National Show in order for a substitute leadperson to be used.

Entry Requirements: Each Junior exhibitor is limited to a maximum of two entries per class. All open show entry requirements and fees apply. All entries must be made at WorldDairyExpo.com online entry and Junior exhibitor must be checked.

Financial Support: Premiums of \$2,455 will be paid by World Dairy Expo and includes: sponsorship of \$675 by Clark and Joy Vilter, Hartland, WI and \$500 provided by the American Guernsey Association Youth Fund is appreciated and acknowledged.

Pending verification of exhibitor eligibility and animal ownership by the American Guernsey Association, the following premiums, may be offered to junior-owned animals in each of the following classes, however, total premiums paid in the junior show will not exceed \$2,455. If total potential junior premiums exceed \$2,455, adjustments will be made per class. (See open show for definition of classes.)

Rules for Junior Owned Animals
Exhibited at the International Jersey Show

**All general rules of World Dairy Expo apply,
including the World Dairy Expo Showing Policy and Code of Ethics.**

The International Junior Jersey Show will be held at the same time as the Open Show. Juniors will be recognized by stepping forward in their respective Open Show classes. American Jersey Cattle Association will award ribbons to the first, second and third place Juniors in each class.

1. Eligibility: Exhibitors must be no younger than 9 years of age as of the opening day of the show, and no older than 20 years of age as of January 1, 2023. U.S. residents must be members (junior or lifetime) of the American Jersey Cattle Association.

2. Entries: Animals are eligible when recorded by the American Jersey Cattle Association in the Herd Register or with Generation Count 4 or greater, or by Jersey Canada with registry status of 93.75% and greater. The exhibitor must be listed as Recorded Owner on the registration certificate, either (1) as the sole owner or (2) by his/her name in joint ownership. If the joint ownership includes more than one person meeting the eligibility requirements of Rule 1. (above), one of them must be declared as the exhibitor during check-in. **Animals must be registered and/or transferred to meet one of the above ownership requirements on or before August 1, 2023.** The date of registration and/or transfer is the Date Recorded printed on the registration certificate.

3. Participation: Entries must be shown by the exhibitor, except by prior written approval from Show Management. Alternate leadpersons (1) must be associated with the Herd Unit and also eligible to show by age, Rule 1 above, OR (2) if not, be the same age or younger than the exhibitor of the animal being shown. Requests for alternate leadperson must be submitted to WDE Dairy Cattle Show Manager on a WDE Alternate Leadperson form no later than 5 p.m. the day prior to the show. No more than two (2) animals may be shown by one exhibitor in any one class. The exhibitor must lead the first entry and the second entry must be led by an alternate leadperson as approved by Show Management. Adults are not allowed to show in any case.

4. Breeder Status: In order to qualify for Premier Breeder points and Best Bred & Owned awards, the exhibitor declared at check-in must have his/her name recorded as a Breeder on the animal's registration certificate. These awards will be made only to the individual exhibitor in the case of partnership animals.

5. Financial Support: Premiums will be paid by World Dairy Expo, with support from the American Jersey Cattle Association. The following premiums may be offered to junior-owned animals; however, total premiums paid in the junior show will not exceed \$2,930. If total potential junior premiums exceed \$2,930, adjustments will be made per each class.

Spring Calf through Spring Yearling: \$50-40-30-20-15-10-10; Winter Yearling: \$50-40-30-20-15-10-10; Fall Yearling: \$50-40-30; Yearling Heifer in Milk through Summer Junior Two-Year-Old: \$75-55-40; Junior Two-Year-Old through Junior Three-Year-Old: \$75-55-40-25; Senior Three-Year-Old through Six-Year-Old & Older: \$75-55-40; Lifetime Cheese Production Cow: \$75.

- 960. Total Performance Winner** (Entry Not Required)
This class will recognize a cow on her total performance - milk production, type and showing placing. Her total score will be determined by:
(1) Placing in the top 50% of her respective class;
(2) Official lifetime production records with at least one completed lactation. The DHI sheet showing credits through July 1 will be accepted to update lifetime records. Official Production records on all qualifying cows must be presented at check-in to verify production. It is the owner's responsibility to supply these records, including the July test sheet, if desired. Copies will be kept for the AMSS Representative to ensure correct calculations.
(a) **Production:** Points will be calculated in the following manner and added together for total production points:
Completed Lactations: $\text{number} \times 10$
Lifetime Milk: $(\text{lbs}) / 1,000$
Lifetime Components: $2 \times (\text{lbs. fat} + \text{lbs. protein}) / 100$
(b) **Type:** Points will be calculated in the following manner and added together for total type points:
Classification Score: score value
Placing: 1st = 200, 2nd = 180, 3rd=160, etc... top 50% after 10th=10
(c) **Total Points:** Production and Type points will be added together to determine final points. If a tie exists, the cow with the highest 305d ME for milk production in any of her lactations will be the winner.

Junior Show neck ribbons & medallions presented by
Select Sires, Inc., Plain City, OH

Rules for Junior-Owned Animals Exhibited at the International Milking Shorthorn Show

**All General Rules of World Dairy Expo apply, including the World Dairy Expo
Showring Policy and Code of Ethics.**

The International Junior Milking Shorthorn Show will be held at the same time as the Open Show. Juniors will be recognized, placed and awarded neck ribbons & medallions by stepping forward in their respective Open Show Classes. All juniors must wear the junior show shirt provided to be eligible to be recognized as a Junior.

1. **Junior Eligibility:** Participation in this show is open to youth with registered Milking Shorthorns. Exhibitors must be a minimum of 9-years-old but have not reached their 21st birthday by January 1st in the year competing. Members who become 21 years of age during the current year will be allowed to compete in Junior activities until December 31st of the current year. Youth must be a member of the American Milking Shorthorn Junior Society by August 1st of the current year. If the youth is not a member by August 1st, they must join before the Show by paying the \$25 junior membership fee and an additional \$5 penalty to become a junior member payable to the American Milking Shorthorn Junior Society and turned into the AMSS Executive Secretary.
2. **Registration:** All animals must be registered in the full herdbook of the American Milking Shorthorn Society and have registry certificates issued by the American Milking Shorthorn Society. The certificate must be white and does not have the words "Not eligible to show"

printed near the Executive Secretary's signature or as a watermark across the page. Animals with a prefix of GI, GI2, GR and GE are not eligible to be shown. Females with a 36000 or 37000 registration number are not eligible to be shown. Tattoo numbers, Fair Tags and/or RFID tags must correspond with the registry certificates. Registration papers will be checked at the Show by show management.

3. **Ownership:** Ownership of the animal must be recorded in the AMSS herdbook in the name of the Junior exhibitor(s) by August 1st of the current year. Animals may be owned in partnerships, however all members of the partnership must be paid junior members of AMSJS and animal must be owned by August 1st. Acceptable wording of Farm or other entity should read: Junior *member's name of Farm name* or other entity (Ex: Nicholas Achen of Cherrywood Farm). The following will disqualify an animal from Junior show participation and recognition in the current year: Transferring an animal in or out of a Junior's name after August 1st of the show year or adding/dropping a junior member and/or adult as an owner after the deadline.
4. **Lease:** Animals that are leased through the American Milking Shorthorn Junior Society Lease Program are also eligible to be shown by juniors. Leases must be on file with the AMSS office by August 1st of the current year. Lessee must be a paid American Milking Shorthorn Junior Member. The Junior who leases the animal must show her. Only one AMSJS Junior Member may appear on each individual lease per animal. Multiple juniors are not permitted to lease the same animal. Alternate leadsperson are not permitted for leased animals except for an unforeseen circumstance.
5. **Participation:** Up to two (2) animals may be exhibited by each exhibitor in any one class. One animal must be shown by an owner listed on the registration certificate who is a paid National Junior Member. The second animal may be shown if the alternate leadsperson form is completed. All rules for the alternate leadsperson form apply. A Junior can own multiple animals in a given class, but only two may be exhibited. Additional animals must be leased by another Junior or if animal is owned in a partnership can be exhibited by another member of the partnership.
6. **Alternate leadsperson:** The Junior who owns the animal is to show her. If the owner cannot attend the Show, an Alternate Leadsperson must be a National Milking Shorthorn Junior member, who is the same age or younger **OR** up to three years older than the owner **OR** who is a sibling (full, half, step, foster) of the owner. All Alternate Leadspersons must meet the age guidelines of a minimum of 9-years-old but not have reached their 21st birthday by January 1st in the year competing. Alternate Leadsperson may show the animal with approval of the Executive Secretary or board appointed delegate known as the "Breed Representative". A Request for Alternate Leadsperson form must be submitted to the AMSS Executive Secretary by email to executive-secretary@milkingshorthorn.com or hand delivered by 5 p.m. the day before the Show to either the Executive Secretary or Breed Representative. Requests must be submitted by this time or the animal is ineligible to show, unless there is an unforeseen circumstance. The owner of the animal is to show at least one national qualifying Junior show, to receive Junior All American recognition. The Request for Alternate Leadsperson form is available at www.milkingshorthorn.com or from show management. *The only exception to this rule is for an alternate leadsperson for showing/leading in the Champion Classes (Junior, Intermediate, Senior and/or Grand). Alternate Leadsperson in the champion classes must meet junior age guideline but does not have to be a National Milking Shorthorn Junior member.*
7. **Bred & Owned:** As of January 1, 2022, for a junior show animal to be eligible for Junior Bred and Owned, the owner of the animal must match exactly with the breeder of the animal on the registration paper.
8. The AMSS Hair Color Regulations must be followed (pg 60).
9. Only the AMSS Executive Secretary or AMSS National Show Representative shall have authority in determining the eligibility of animals and ownership for numbers 1-8, above.
10. **Junior Premiums** of \$1,180 will be paid by World Dairy Expo. All premiums will be paid directly to the exhibitors by World Dairy Expo.

Spring Calf through Fall Calf: \$25-20-15-10-10; Summer Yearling, Spring Yearling: \$25-20-15-10; Winter Yearling: \$25-20-15; Fall Yearling: \$25-20; Yearling Heifer in Milk: \$40-30; Junior Two-Year-Old Cow through Four-Year-Old Cow: \$40-30-25; Five-Year-Old Cow: \$40-30; Aged Cow and Lifetime Merit Cow: \$40

American Milking Shorthorn Society Black Hair Policy

1. To be eligible to show a Milking Shorthorn, base hair color must be red, white or roan (red and white intermixed). No other base color is allowed.
2. Disqualifications for color beyond the preceding include animals that are brindled with diffuse black hairs on locations other than the edge of the ear, edge of the muzzle or nape of shoulder, or animals that have more than one location with black hair on other parts of the body.
3. "Black Hair" for purpose of these rules refers to hair that is black the entire length of the shaft to the root.
4. Minimal black hair described as "ticking" around the edge of the ears, edge of the muzzle and shoulder nape is permissible.
5. An animal is eligible to be shown if they have no more than one "spot" of black hair smaller than four square inches.
6. "Black Spot" refers to areas of solid black hair or to areas of black roan with diffuse white or red hairs intermixed.
7. Measurement is made around the distinct edge of the area in question.
8. If an animal has one spot larger than four square inches, or more than one spot, they are ineligible to be shown.
9. Any animal with one spot smaller than four square inches that is to be shown must be blood/DNA typed for parental identification. If parental ID is confirmed the animal is eligible thereafter for all show and National awards.
10. Any animal the Executive Secretary examines and finds to have one or multiple black spots, irregardless of eligibility for showing, are required to be blood/DNA typed for parental identification to maintain registry status.
11. As there exists a lack of uniformity in varying show venues across the country in response to enforcement of the Black Hair rule, the Board of AMSS has stipulated the following. Only the Executive Secretary of the American Milking Shorthorn Society shall have authority in determining eligibility of animals under the Black Hair Rule. The Executive Secretary is required to be in attendance at all accredited National Shows.
12. When the Executive Secretary of the American Milking Shorthorn Society is in attendance at a National Show, or if she/he are at any other venue in which Milking Shorthorns are being exhibited as registered cattle in the AMSS Herd Book, she/he may, at their discretion, or at the request of either the owner of an animal or other exhibitor, examine an animal for eligibility due to the above color requirements or other considerations.
13. If the Executive Secretary is requested by a party other than the owner to examine an animal for any reason, the person requesting the examination must first post a \$150 nonrefundable fee with the Executive Secretary.

1. Animals must be Red and White in physical color. Any animal in question of this color status must submit a DNA sample to an accredited lab for a full genomic panel to prove color and identification of the animal in question. Results must be shared with RWDCA.
2. In order to enter/exhibit at any national and/or approved shows, Red & White animals must carry 87% dairy bloodlines as designated by RWDCA guidelines. Dairy bloodlines include: Ayrshire, Brown Swiss, Guernsey, Holstein (Black & White and Red & White), Jersey, Milking Shorthorn, Angler, Swedish Red, Aussie Red, Lineback and Rouge Flammande.
3. The RWDCA will accept original registration papers and/or a certificate of identification (CID) from Holstein Association USA. Other registration papers accepted will be from RWDCA, Holstein Association USA showing the suffix "RED" and Holstein Canada.
4. Animals are eligible to show in ONE breed show. For example, if an animal is shown in the International Red & White Show, it may not show in the International Holstein Show or International Junior Holstein Show.
5. All owners shown on registration paper must be a member in good standing of RWDCA.

Red & White Dairy Cattle Association Junior Show Rules

**All general rules of World Dairy Expo apply,
including the World Dairy Expo Showing Policy & Code of Ethics**

- 1) The International Junior Red & White Show will be held at the same time as the open show. Juniors will be recognized, placed and presented awards by stepping forward in their respective open show class.
- 2) Exhibitors may participate after they reach nine years of age and until December 31 of the year in which he or she turns 21 years of age. Age is day of show.
- 3) Animals must be Red and White in physical color. Any animal in question of this color status must submit a DNA sample to an accredited lab for a full genomic panel to prove color and identification of the animal in question. Results must be shared with RWDCA.
- 4) To enter/exhibit at any national and/or approved shows, Red & White animals must carry 87% dairy bloodlines as designated by RWDCA guidelines. Dairy bloodlines include: Ayrshire, Brown Swiss, Guernsey, Holstein (Black & White and Red & White), Jersey, Milking Shorthorn, Angler, Swedish Red, Aussie Red, Lineback and Rouge Flammande.
- 5) **If for any reason an animal is in question for eligibility, the RWDCA management will be in contact before a final decision is rendered.**
- 6) The RWDCA will accept registration papers and/or a certificate of identification (CID) from Holstein Association USA. Other registration papers accepted will be from RWDCA, Holstein Association USA showing the suffix "RED" and Holstein Canada.
- 7) LEASE: All animals must be owned or leased by the junior by **July 15th** of the current year.
TRANSFER: For an animal (cow or heifer) being transferred to a Junior, or a partnership of Juniors, the transfer application must be received by the Holstein Association USA office on or before July 15th. Except for animals purchased by and/or leased to a Junior at the RWDCA National Convention Sale.
- 8) OWNERSHIP: Two or more juniors may own an animal. One junior must be on the halter to receive junior recognition. Awards will be presented as one unit, to all owners equally.
- 9) All entries must be shown by the Junior owner in all cases, except by prior written approval. *An alternate leadperson request form handwritten, or email 24 HOURS prior to the start of the show explaining in specific your reason for the absence and for final approval by the RWDCA. Any alternate leadperson form can be turned into the RWDCA in advance, if you know of upcoming conflicts.* Include in statement- Name, age and signature of junior owner. Cell phone number of contact person. Class of animal. Name and age of alternate leadperson (Up to three listed). Reason junior owner needs an alternate. If approved, the rules state the alternate must be the same age or younger as the junior owner. The alternate must also be a member of the RWDCA. Adults are not allowed to show in any case. If more than one animal owned by the same Junior is eligible for the championship class, another Junior may lead the other animal. Final approval will be decided by RWDCA staff and/or a member of the RWDCA Board of Directors.
The Junior requesting this form MUST have led their animal once at a national, state or county show before approval at ANY Fall show.

- 10) Dress code will be strictly enforced for juniors. White pants with an official show shirt must be worn or the junior will not be allowed to show (World Dairy Expo-Madison, WI and Premier National Junior Show-Harrisburg & Mid-East Fall Red & White Show-Louisville, KY).
- 11) Junior show classes consist of all female classes except Best Uddered of Show. There will be no junior show classes for group classes.
- 12) Bred & Owned: To be eligible for junior bred & owned, at least one of the Junior owners must be listed as a breeder and owner on the registration certificate and the owner must be a Junior member of the RWDCA.
- 13) Premiums of \$1,920 will be paid out to junior exhibitors. All premiums will be paid directly to the exhibitors by World Dairy Expo.
 - Spring Calf through Fall Calf: \$25-20-20-15-15-15-10-10-10-10; Summer Yearling through Spring Yearling: \$25-20-20-15-15-15-10; Winter Yearling Heifer: \$25-20-20-15-15; Fall Yearling: \$25-20-20; Yearling Heifer in Milk: \$50-40; Summer Junior Two-Year-Old Cow through Junior Two-Year-Old Cow: \$50-40-30; Senior Two-Year-Old Cow through Junior Three-Year-Old Cow: \$50-40-30-20; Senior Three-Year-Old through Five-Year-Old Cow: \$50-40-30; Aged Cow, Six-Year-Old & Older and 125,000 Lb. Holstein Association USA - International Junior Holstein Show Rules

All general rules of World Dairy Expo apply, including the World Dairy Expo Showing Policy & Code of Ethics.

- A) Eligibility:** Exhibitors must be a minimum of nine years old to participate but not have reached their 21st birthday by January 1 in the year competing. Members who become 21 years of age during the current year will be allowed to compete in Junior activities until December 31 of the current year and not beyond that time. Exhibitors must be National Junior Members of the Holstein Association USA, Inc. Juniors entered in the show may submit applications on site for National Junior Membership with payment by 5 p.m. the day before the show.
- B) Entries:** All animals must be registered by the Holstein Association USA, Inc. The Junior owner(s) or lessee must be recorded on the registration certificate. Animals must have a minimum of 87% Registered Holstein Ancestry (RHA) to be eligible for the designated shows.
- C) Ownership:** Animal must be registered in the name of the Junior member or a partnership of Junior members, throughout the year exhibiting in order to qualify for Junior recognition. Adult-Junior and family or farm partnerships are not acceptable. For an animal (cow or heifer) being transferred to a Junior, or a partnership of Juniors, the transfer application must be received by the Holstein Association USA office on or before July 15 of the current year. The following actions will disqualify an animal from Junior recognition: 1) Transferring an animal in or out of a Junior's name after July 15 of the show year or 2) adding or dropping any adult or junior member as an owner after the deadline.
- D) Lease:** The Junior leasing program is designed to encourage young people to get involved in a dairy project and learn about animal care and responsibility. The leased animal remains in the original ownership and, if the leased animal is bred, any offspring are named using the owner's prefix.
1. The leasing program is not available to youth who concurrently own any Registered Holsteins either as an individual or in partnership. However, if the lessee becomes the owner of the animal anytime during the year exhibiting, they will qualify for junior recognition.
 2. A maximum of two Registered Holsteins may be leased by any youth at one time. Animals may not be leased by partnerships.
 3. The lease may be terminated by either the owner (lessor) or the youth (lessee) by providing written notice to the other party 45 or more days before the intended termination date. A Lease Termination Report must be filed with Holstein Association USA, Inc. If the animal has been sold, submitting an application for transfer of ownership will also terminate the lease.
 4. The animal must be leased before she reaches her first birthday.
 5. Leased animals may only be shown by the lessee (Junior). If a leased animal is shown by an adult, the lease is automatically terminated. The leasing Junior must show the animal at all shows; no substitutions may be made.
 6. The owner of an animal to be leased must submit the Certificate of Registration for that animal and a completed Application for Transfer, with the "Lease" box marked, to Holstein Association USA, Inc. All lease applications must be received by July 15 in the year exhibiting.
 7. The fee to lease an animal is \$20. There is no fee to record a lease termination.
 8. When a lease is initiated and approved, the Certificate of Registration will be printed with the lease details and mailed to the Junior lessee. When a lease is terminated and the Certificate of Registration is returned to Holstein Association USA, the lease termination will be recorded on the certificate and the certificate will be mailed to the owner. All leases expire on December 31 of the year in which the junior lessee becomes 21 years of age if not terminated prior to that date.
- E) Exhibition:** To be eligible to compete at National Shows, entries must be shown by the Junior owner in all cases, except by prior written approval. Alternate Leadsperson forms must be submitted to the Holstein Youth Program Specialist by 5 p.m. the day before the show. If approved, another National Junior Holstein member the same birth year or younger must show the animal. Adults are not allowed to show, in any case. A leased animal may only be shown by the Junior lessee.
- F) Bred & Owned:** To be eligible for Junior Bred & Owned, at least one of the Junior owners must be listed as a breeder and owner on the registration certificate. Bred & Owned winner medallions are presented by Holstein Association USA, Inc.
- G) Partnership:** More than one Junior exhibitor may own an animal in partnership if the animal is exhibited by the partnership throughout the entire show season and the names of all Junior partners are listed on the registration certificate. Adult-Junior and family or farm partnerships are not acceptable.
- H) Violations:** If any of the above Junior Showing Policy is violated, all Junior exhibitors involved will lose all privileges for that show the following year.

Coliseum Showing

Online Pre-Registration Entry & Fee Required Deadline:
Friday, September 29, 2:00 p.m.

General Contest Rules

1. Participants must meet the age requirement listed below and have verification of age available.
2. Contestants must provide their own animals. Contestants need not own the animal they show. Animals shown must already be on grounds and entered in a World Dairy Expo show or sale. Contestants are responsible for obtaining approval from the owner if the animal used is not their own.
3. A contestant must use the same animal in the finals as he/she used in earlier heat(s).
4. Milking females do not need to be "bagged" for competition. Extra credit will not be given for those who are bagged.
5. The judges may ask questions about breed(s), showing and fitting and the general dairy industry.
6. The [PDCA Showmanship Evaluation Card](#) will be used for the judging of the showmanship contest.
7. Decisions of the judges and contest superintendents are final.
8. Parents are to adhere to the Showing Code of Ethics and to practice good sportsmanship at all times.
9. Past winners may participate again in the Junior and Intermediate Divisions.
10. Past winners may not participate again in the Senior Division.
11. Heats will be approximately 30 minutes in length.
12. A number of showmen will be selected, at the judge's discretion from each heat, to participate in the finals. The finals will be held immediately following the last heat for that Division.
13. All exhibitors will be given entry numbers and are required to wear these in show harnesses during the competition. Heats will be posted at the Milkhouse, on the WDE website and emailed to all registered participants. Back tags may be picked up in The Tanbark (Arena Building), from 8 - 10 a.m. Saturday, September 30. Back tags will also be available beginning at Noon in the area outside the loading dock near the Coliseum north cattle show entrance.
14. Required attire for the contest is white pants and either a white shirt or an official 2023 World Dairy Expo Junior Show shirt.
15. Following the conclusion of the senior division, the first and second place winners of each division will return to the showing to compete for the Annette Ostrom Memorial Supreme Showman Award. This class will function as a new class; previous placings will not be taken into consideration. All three division judges will evaluate the participants with a lead judge being identified.
